Section II. Project – Additional Information as Requested	Official Use Tech Group Assessment
1. Is the deliverable for this grant request control points or taxlots?	<input type="checkbox"/> Yes <input type="checkbox"/> No
Control points are the deliverable. All control points will be delivered by the end of the project. As control points become available, tax lot work will proceed.	
2. Who is doing the taxlot work and where des it fit into your technical approach?	<input type="checkbox"/> Yes <input type="checkbox"/> No
The Automated Mapping Cartographer for the Assessor’s office will do the tax lot work. This project is being done to ensure that all work conforms to ORMAP technical Specs and corresponds to Phase 3 on the timeline portion of our business plan. (The tax lot work is not included in this grant, but will be done concurrently and after the GPS points have been collected. This part of the project is funded entirely by the Lincoln County Assessor’s Office.)
