| <b>1. Are any of the Benton County control points listed in your grant funding by ORMAP?</b>  | <input type="checkbox"/> Yes <input type="checkbox"/> No  |
| Yes – Approximately 50 control points (to be funded by ORMAP) and 20 government control points (as funded by Benton County). Benton will contribute \$4,000 through government control work and will receive \$10,000 through Polk County’s grant.  |   |
| <b>2. What is the nature of the research that will be done in regards to the Marion-Polk county line?</b>   | <input type="checkbox"/> Yes <input type="checkbox"/> No  |
| The cost of this work will be performed by Polk County. I will obtain and compare the existing and historical boundaries for both counties and relate them to existing and historical aerial photography. This will give the Polk County cartographer needed information for future discussions regarding the county line with Marion County. |   |
